January O'Kaye's crappy crapartment got demolished when Strawberry and Ultracow fought The Walrus. January was staying in Marissa's basement, but quickly wore out her welcome. After some really awful pavement-pounding, January arrived at her last resort: the apartment of polite criminal No-Good Nicky.

Dino-Mike did the character coloring for this week's comic. Kyle's promoting his comic on the news thingee on the front page, but I think you should check out his song "Dork Whore". Someday, I'll meet mine.

The color palette for this week's marquee comes from Dutch's sprite from Predator for NES. I'm serious. Look it up.

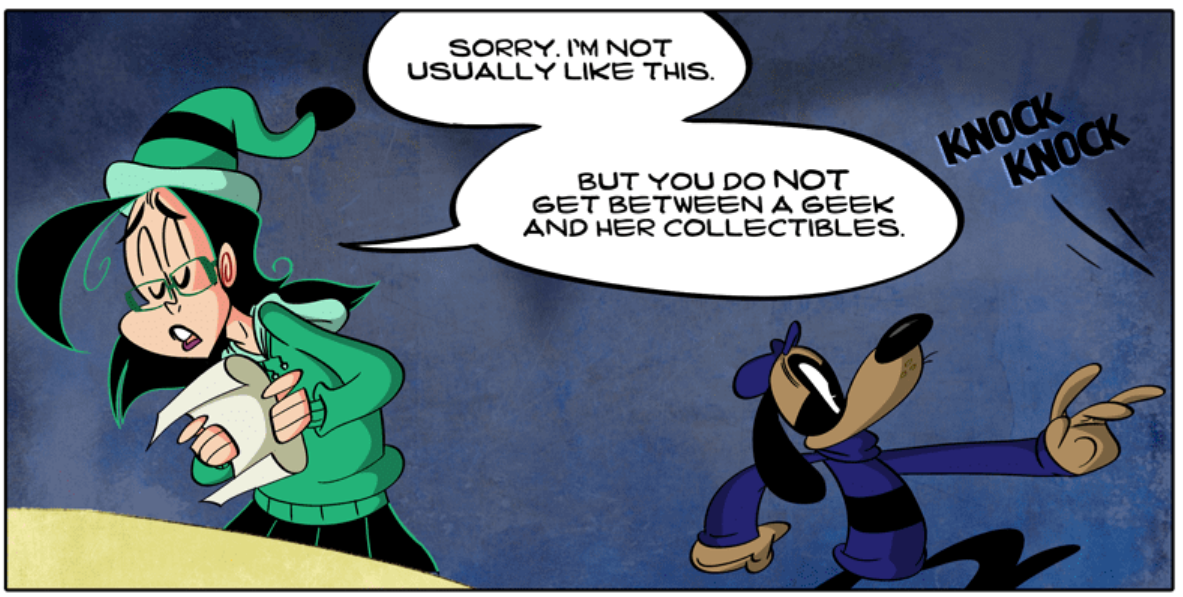
WELL, FOR INSTANCE, I'M PRETTY SURE THAT'S THE LEEPTHROKS' HOVER CHAIR.
MAYBE AT ONE POINT IN THE PAST...

THE MARKET LEAVES ME LITTLE CHOICE. I'LL MOVE IN ON THE CONDITION THAT YOU SIGN THIS CONTRACT AGREEING THAT YOU WON'T STEAL OR PAWN ANY OF MY BELONGINGS.

BUT IF I DID THAT, I'D BE LYING!
THAT'S WHERE YOU DRAW THE LINE?
I JUST DON'T LIKE TO MAKE PROMISES I CAN'T GUARANTEE.

I'VE LOST EVERYTHING ONCE ALREADY! I'M NOT GOING THROUGH THAT AGAIN! SIGN THE PAPER!
OH DEAR!



SORRY. I'M NOT USUALLY LIKE THIS.
BUT YOU DO NOT GET BETWEEN A GEEK AND HER COLLECTIBLES.
KNOCK KNOCK

SWEET. BY THE WAY, IT LOOKS LIKE

Strawberry and other-leading-goofus/vigilante Lemonade have been at odds for forever. After Horatio made them work together to save the Shebwooley-Kattan kids from two delightfully ineffective villains, Strawbs and Lemmz are now on good terms.

The color palette from this week's marquee are from Bubbi's sprite in Rainbow Islands: The Story of Bubble Bobble II for NES.

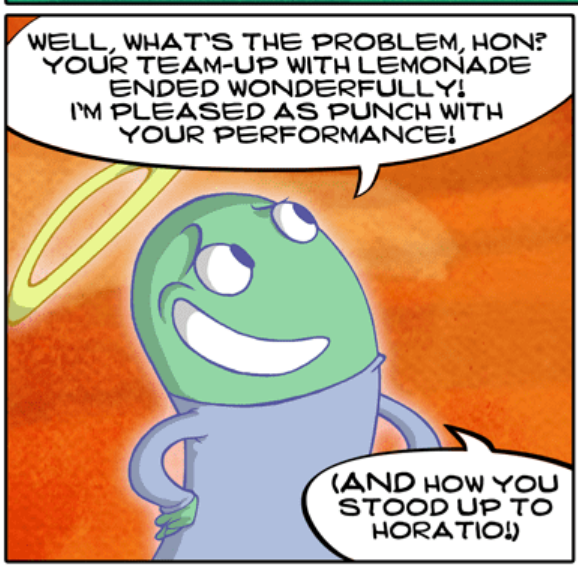
OH, DEAR. I SEE YOU'RE ON YOUR CONTEMPLATION MUSHROOM AGAIN.
THAT I AM, FROG SPIRIT.
ITS SOFT FUNGAL GLOW MAKES FOR A FINE THINKIN' PLACE WHEN I'M NOT-SO-CENTERED.



WELL, WHAT'S THE PROBLEM, HON? YOUR TEAM-UP WITH LEMONADE ENDED WONDERFULLY! I'M PLEASED AS PUNCH WITH YOUR PERFORMANCE!
(AND HOW YOU STOOD UP TO HORATIO!)

AND I'M SURE THOSE STRAPPING YOUNG CAT BOYS HAVE NOTHING TO DO WITH IT.
HA-HA! WELL, I ADMITTEDLY LIKE THE ATTENTION FROM HARLAN, BUT IT'S CATERANG I REALLY LIKE!
WELL, STRAWBERRY, I THINK YOU'RE FINALLY READY.
READY?
STRAWBERRY! YOU MUST VENTURE TO THE FLORIDA SWAMPS! THERE, YOU WILL FIND YOUR TRAINING MISSION!!!
YES!!

Strawberry and her arch rival Lemonade are, at long last, on good terms. This has left Strawberry wanting to better herself, so she can confidently feel like she's in the same league. Frog Spirit told Strawberry to go to the Florida swamps to recieve some secret training, but thanks to an app "upgrade" that nobody asked for, Strawberry finds herself lost in the frozen tundra.

The color palette from the marquee is from Rygar's sprite from Rygar for the NES. Thanks to Ian Bonds for suggesting that sprite! Do you have an 8-bit sprite that would make a good marquee palette?

WELL, NOW I'VE DONE IT. I'M ABSOLUTELY NOT IN FLORIDA... NOR ANY OF THE CAROLINAS. I'VE GOT NO CELL PHONE RECEPTION OUT HERE.
I'M SO DOOMED, I'M TALKING TO MYSELF. THAT'S, LIKE, 12 DOOMEDS.
OOH, AND I'M GOING BLIND FROM HUNGER AND COLD. NEAT!
BUMCAKES.

I WONDER WHICH ONE OF MY LIMBS IS THE TASTIEST.

Strawberry set out for a training mission in the Florida swamp, but her phone directions sent her to the Antarctic tundra. There she encountered a majestic frog-headed beast!

The color palette from this week's marquee are from Chun Li's sprite from Street Fighter x Mega Man (though it has more colors than a real 8-bit sprite). It's a bummer, I was all excited about playing it and was even more excited when I found out A_Rival did the music! But they released it this week and it's PC only. An .exe! In 2012! Capcom, I'm a PC! I know it's a free download, but I'd gladly have paid money to have it on something I own. Oh, well. Im'a go crash Kyle or John's place and play some Nintendo Land until they kick me out.

Strawberry was seeking to improve her Helperton skills, so Frog Spirit sent her to the Florida swamps for a training mission. Strawberry ended up in the Antarctic tundra instead due to a crappy map app. Instead of freezing to death, Strawberry met the Frogbull! He's a majestic beast who knows the secrets of the froggy universe. He has agreed to train Strawberry.

The color palette from this week's marquee are from Taizo Hori's sprite from Dig Dug! Bet you didn't know that was his name! Thanks to Scotty Arsenault for suggesting it! If you want to suggest a sprite, find Frog Raccoon Strawberry on FB and let us know!

Geez, guys. You should probably catch up before reading this one. You know that part in every superhero's story where they go on a training mission and learn new, marketable powers? Strawberry just had one of those. After taking a wrong turn on the way to the swamps of Florida, the majestic Frogbull of the Antarctic tundra taught her the secrets powers of the Froggy Universe. This includes summoning local rare frogs, and the use of Froggyspace, a dimensional storage... thingee.

Man, so many Helpertons lately. I think Kyle and John are up to something...

The color palette from this week's marquee are from Low G Man for NES. Suggested by Insane Ian on the mighty book of faces.

We'll return to Slushmore Academy next week, but in the meantime, here's a brief glimpse into the daily life of new roomies January O'Kaye and No Good Nicky. January moved into Nick's apartment recently after she wore out her welcome in Marissa's family's basement. To Jan's surprise, she found out Nicky and young alien type Marissa are dating. Such information is icky and weird.

Today's marquee color palette is Alex's sprite from River City Ransom! Special thanks go to Christopher Rosas for suggesting it over at the Frog Raccoon Strawberry Facebook page!

Strawberry has just gone on a spiritual journey which may or may not have been a cheap ploy to grant her upgraded powers for Kyle and John to exploit in future stories. While she rode home on the majestic Frogbull, a familiar face zapped Sheepica for being marginally in the way in the halls of Slushmore Academy.
